AUDIENCE: This is your opportunity to connect with a wide range of women and their families who understand the transformational importance of health and education globally and locally.

Our theme is "The Power of One" ~ proceeds will benefit the education of women and girls, both local and international. These are the organizations that we support:

KEEP (Katonah Education and Exchange Program) in partnership with Kakenya's Center for Excellence- Based in Kenya, the center provides primary schooling for girls from the town of Ensoosaen and fosters awareness to break the cycle of destructive Kenyan practices such as genital cutting and forced early marriages. KEEP is sponsoring 32 girls in the fifth grade.

Support Connection of Yorktown Heights- They provide free health and wellness programs and emotional support groups for women and their families affected by breast and ovarian cancer.

The Running Goddess Scholarship- Open to Westchester and Putnam County students, this scholarship is offered to an athletic high school girl's college aspirations in the fields of math and science.

The Running Goddess International Scholarship- Asian University for Women ~ Based in Bangladesh, they provide a Westernized curriculum for girls from developing countries. Offered to one student who is majoring in the sciences.
